

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of 0.4578 per \$100 valuation has been proposed by the governing body of City of Nash.

PROPOSED TAX RATE	\$0.4578 per \$100
NO-NEW REVENUE TAX RATE	\$0.3708 per \$100
VOTER-APPROVAL TAX RATE	\$0.4578 per \$100
DE MINIMIS RATE	\$0.5864 per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for City of Nash from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval tax rate is the highest tax rate that City of Nash may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Nash exceeds the voter-approval tax rate for City of Nash.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Nash, the rate that will raise \$500,000, and the current debt rate for City of Nash.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Nash is proposing to increase property taxes for the 2020 tax year.

A public hearing on the proposed tax rate will be held on September 08, 2020 at 6:00 pm at City of Nash, 119 Elm St., Nash, TX 75569.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Nash is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City of Nash at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

The members of the governing body voted on the proposed tax increase as follows:

FOR:

Cranford Graves
Charles Underwood

Jimmy Norwood

AGAINST:

Dale Vickers

PRESENT and not voting:

ABSENT:

Danica Porter

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by City of Nash last year to the taxes proposed to be imposed on the average residence homestead by City of Nash this year:

	2019	2020	Change
